

LAUNCH OF NEW WEBSITE AND OSAF IN SOCIAL NETWORKS

OSAF is pleased to announce the launch of its NEW WEBSITE as from February 5th, taking one more step in the strategic direction of professionalizing and updating our communications channels with our members, the Media and the horseracing activity in general.

You will find us in our usual website address: www.osafweb.com.ar

For 2018, we have updated our site, making a complete redesign focused on enhancing the user's experience, optimizing the contents to make them more accessible, in particular when navigating through mobile devices.

The main features of our new website, are:

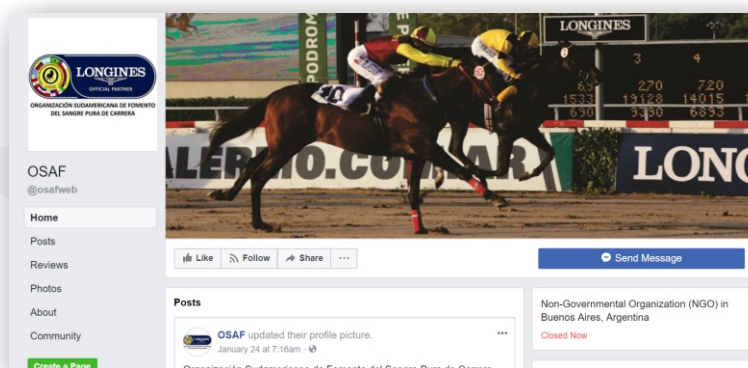

- SSL Security Certificate (green lock), which means all navigation through our site is safe.
- We optimized our website for the contents to be better displayed in mobile devices, smartphones and tablets.
- We have introduced and integrated our website with social networks.
- OSAF is now present in Social Media/Networks, through official Facebook, Twitter and Instagram accounts.

- We have introduced a new browser, where users will be able to find specific information without the need to look for it through the site.
- We have redefined the website code in order to improve our positioning in internet search engines.
- Contact form through info@osafweb.com.ar

WARNING! NON-OFFICIAL ACCOUNT !!

We are aware of the existence of a Twitter account by the name of “osafweb”, where we ignore who the owner is or who uploads the contents. In spite of having put forward several reports about this to Twitter, they have not shut down this account or user.

We appreciate if you can report the “osafweb” account, which uses OSAF name and logo without our authorization.

OSAF is NOT responsible for the contents published by the aforementioned user.
