LONGINES PRIZE FOR ELEGANCE:

True to its motto, *Elegance is an attitude*, Longines - official partner and official chronometer and watch of OSAF and Longines Gran Premio Latinoamericano - will bring its traditional LONGINES Prize for Elegance to San Isidro Racecourse on March 14th: an acknowledgement which awards the most elegant lady and gentleman attending the race meeting event.

All visitors attending the racecourse on the day of the event, finely dressed, can take part: ladies wearing a hat or headpiece and well attired gentlemen. After taking their photos and signing up for the contest, the finalists shall be selected by a distinguished jury who will determine the winners, who will be prized with an exclusive Longines watch, from the Dolce Vita and Heritage collections.
