LONGINES PRIZE OF ELEGANCE

After not having been able to conduct the Longines Prize of Elegance since 2019 due to the COVID pandemic, Longines and OSAF once again held this traditional event during the day of the race meeting of Longines Gran Premio Latinoamericano: The Longines Prize of Elegance for the finest ladies and gentlemen attending.

Featuring a distinguished jury, and only a few minutes before the running of Longines Gran Premio Latinoamericano 2022, Hipódromo Chile made a pause within its racing programme and gave place for the finalists of the contest to present themselves and parade before the jury. Inspired by the motto "Elegance is an Attitude", Longines was pleased to award the winning lady with a watch from the DolceVita Collection, and the winning gentleman with a watch from the Longines Master Collection, moonphase.

The jury was comprised by Mr. Miguel Angel Palmer (Longines Brand Manager Regional for Latin America), Ms. Maite Jugo (Brand Manager for Chile), Ms. Titina Vazquez (friend of Longines brand for Argentina) and Ms. Ana Torrejón (Editor of L'Officiel Argentina magazine).
